

REMARKS

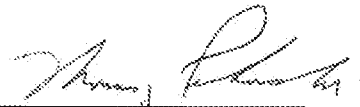

Applicants thank the Patent Office for the careful attention accorded this Application and respectfully requests consideration in view of the Amendment above and remarks set forth below.

In response to the Office Action mailed December 14, 2010, Applicants have amended allowed Claims 1, 2, 4, 11, 14, 19, 21, 24 and 27 in order to avoid any basis for rejection under 35 USC Section 112.

In view, therefore, of the Amendment and remarks set forth above, the present invention defined by amended Claims 1-11, 14-27 is firmly believed to be neither anticipated by, nor rendered obvious in view of the prior art of record, and that the present application is now in condition for allowance.

Favorable action is earnestly solicited.

Respectfully submitted,

Thomas J. Perkowski, Esq.
Attorney for Applicants
